

Tuesday May 3rd Meeting Minutes

- Welcome and introductions were made with all fifteen attendees. Those present provided their emails and contact information to be used throughout the season for any correspondence. For those unable to attend please submit your interest and information to Jeri @ j_bertrang@yahoo.com
- Changes this year included combining the am and pm leagues. All members are welcome to play on one or the other or both. For weekly games only one score will be submitted if one decides to play twice that day. Also teams will be drawn each week, exception to this is if someone brings a guest or really wants to play with an individual, we want to make sure everyone is comfortable. At the same time, we want to encourage new connections in a relaxed atmosphere.
- A ringer board will be posted in the women's locker room asap. The ringer board will be for all members of the league and \$3 out of the \$30 fee will go towards its fee. A ringer board is a recording of a player's best score of the 18 holes during the season. Each player will post their first score for each of the 18 holes and after each round, if the score initially posted for any hole changes for the better, the player will replace the posted score with their new score. Prizes will be awarded based on handicap flights. The differing flights will be determined when handicaps are available.
- Carole and I will help track individual handicaps based on weekly entries. If you golf more than just league, please still submit your scores since it takes five entries to determine a handicap. Please let us know also if you utilize the clubs handicap program in the pro shop.
- I will be putting a box of some kind labeled scorecards in the women's locker room to put your scorecards in. Please put your name and date on each. If you submit more than one score please clarify which score is to be used for league play.
- We discussed that if the weather is poor or individuals are unable to make a Tuesday they can still submit a score for the week. Everyone will have from Tuesday of that week until Sunday to submit a score to me.
- The schedule was discussed and a follow up email sent to Bill in regards to what dates women's league would be affected by outside club events. League will start on May 10th.
- The Women's invitational is scheduled for July 5th. I would like to make this event very organized and have all hands on deck if possible. The event is a two person scramble open to member and non-members. The women's committee will meet to get fliers out prior to the end of May to encourage participation.
- Involvement in other surrounding golf course events was discussed as to represent our Women's league at CCC. I feel that if we show interest, other courses will reciprocate.
- Guest days at CCC include waiving of green fees (carts extra). As of now we only have one but will discuss with Bill and the board the option of having two. Dates to be announced soon.
- Andrew Castle has offered to give us mini lessons prior to the pm league. These can include short game, driving, hitting out of the sand, etc. Times and agenda will be posted at a further date.
- Possible events include a Nine & Wine; Jeri will contact Gary from Cold One Liquor to set this up. Other suggestions are needed and appreciated.

- A committee was formed based on interested individuals and includes Jeri Sylvester, Lori Nelson, Kathy Lund, Carole Dietz, Dana Luehr and Peggy Anderson. I will post contact info on the cork board in the women's locker room. Please feel free to reach out to any member with questions.
- We will reassess league needs as the year progresses. I encourage all of you to reach out to fellow friends who may be interested in golfing and encourage them to at least come check out the league. We also don't want to focus so much on the league but encourage a Women's day at the club.
- I offered to provide a few breakfast items prior to the am league to promote socialization and appetizers for the pm league. These will be available 45 minutes prior to tee off.

The committee will be meeting on May 9th at pm to discuss the league formation further. Please feel free to present any issues either via email or phone to any one of us. Thank you!
